I. GENERAL TERMS

1. Luka Koper operates in accordance with pertinent legislation of the Republic of Slovenia, its Concession Agreement, General Acts of the company, General Terms and Conditions, its Quality Manual, this Tariff and the customs of the port, if the application of such is not in contravention of the aforementioned legal provisions.
2. These tariffs prescribe the prices of services in euros - EUR. If an invoice for performed services is issued in a foreign currency, the last published Bank of Slovenia exchange rates - ECB reference rates, as of 00.00 hours the following day, shall be applied in translation.
The prices of services are not inclusive of sales tax (VAT), which shall be charged the customer at a rate in accordance with current legislation.
3. Services and rentals not included in these tariffs shall be charged in accordance with separate written agreements.
4. Rates and prices established in these tariffs are for services and operations carried out under normal conditions and during ordinary working hours.
5. The customer is obliged to order operations and services, involving labour or technical resources, from Luka Koper using the CED – Computer Exchange Data system before 10:30 a.m. CET/CEST on the day prior to the day they are needed, and for the order of operations on Sundays and public holidays by 10:30 a.m. CET/CEST on the last ordinary working day prior to their projected execution. In the event that orders for operations are not submitted in the terms and modes pursuant to these General Terms, Luka Koper shall not bear any obligations in this respect towards the customer.
Luka Koper shall accept and confirm an order for operations by sending a plan of action via the communication network by 12:30 p.m CET/CEST.
Luka Koper shall also send the customer an electronic message on co-ordinated changes, thus confirming the final plan of operations.
6. Operational orders shall to be submitted via electronic mail using the CED between 6:00 a.m. and 9.00p.m. (21:00 hrs) CET/CEST. In the event of a breakdown in the customer's computer or communication system, and exceptionally when the reason for incapacity to enter the CED system is on the customer's side, it is possible to order an operation by submitting a written order via Luka Koper's computer system. Luka Koper shall make a separate charge for any such order.
The confirmation of the order of an operation by the performer of service shall represent the conclusion of a contractual agreement in accordance with the General Terms and Conditions of Luka Koper d.d.
7. The customer is obliged to submit Luka Koper orders in relation to the arrival and disposition of all wagon consignments, empty wagons, private wagons or wagons on lease before the hour at which loading/discharging operations have been ordered.
The customer is obliged to deliver the order to Luka Koper between 6:00 a.m. and 9.00 p.m. (21:00 hrs) CET/CEST, also on Saturdays, Sundays and public holidays, when Luka Koper shall perform operations on behalf of its customers which are announced and confirmed using the CED system.
8. The customer shall deliver all orders and countermands in relation to railway wagons directly to the railway operator Slovenian Railways (SŽ).
Luka Koper does not accept any direct responsibility in relation to the railway operator in the event the customer fails to discharge or load the cargo within the time limits set by the regulations on the acceptance and take over of freight from the railway operator because it did not receive the order or the disposition.
A customer who has ordered the movement or delivery, or the loading or discharge of railway wagons, shall be responsible towards the railway operator Slovenian Railways (SŽ) for railway wagon demurrage. In the event that the delay is a fault of Luka Koper, the customer may claim reimbursement.
9. The customer may countermand an operational order for work, labour or machinery by 18:00 hrs CET/CEST at the latest on the day before the day for which the services were ordered, and by 12:00 hrs (midday) CET/CEST of the last preceding ordinary working day in relation to services ordered for Sundays or public holidays.
Countermanding ordered operations shall be performed in the same manner as ordering operations.
If ordering overtime work, half a shift cannot be countermanded; namely, an entire shift shall be charged for even if the ordered operations are completed within a shorter period.
If the customer countermands ordered operations after the prescribed period, the ordered operation shall be charged for in accordance with the appropriate Table tariff.
In the event that workers or machinery are kept waiting, or operations are interrupted for reasons which are not the fault of Luka Koper, the customer shall be obliged to pay for the ordered operations according to tariff provisions as well as to reimburse any damages which may be incurred.
10. Upon direct cargo loading or discharging of vessels, Luka Koper shall perform weighing, marking, sorting and other such activities solely on the basis of prior written order and agreement, payment for which shall be determined on the basis of tariff provisions.
11. If the tariff rate for *Hold - Ship's Tackle - Vehicle* operations, and vice versa, is expressed as a single integral amount, said rate shall be divided as follows:

	65% of the tariff rate on the vessel owner's account, and 35% of the tariff rate on shipper's/consignee's account.
12.	The customer is obliged to especially order difficult operations and other additional work in writing.
13.	Upon the destruction of cargo, customs regulations and ecology legislation must be taken into consideration; such work shall be performed in accordance with a separate written agreement between Luka Koper and the customer.
14.	<p>Working hours at Luka Koper are as follows:</p> <p>for: liquid cargos, ore and coal, vehicles, container freight and trailer cargo First shift from 06.00 hrs to 14.00 hrs CET/CEST Second shift from 14.00 hrs to 22.00 hrs CET/CEST Third shift from 22.00 hrs to 06.00 hrs CET/CEST</p> <p>for: timber and wooden products, various elements of general cargo, perishable cargos, and bulk cargos First shift from 06.15 hrs to 13.30 hrs CET/CEST Second shift from 14.00 hrs to 05.15 hrs CET/CEST (with the exception of bulk cargos with working hours from 21.45 hrs to 05.00 hrs CET/CEST) Third shift from 22.00 hrs to 05.15 CET/CEST with the exception of bulk cargos with working hours are from 21.45 hrs to 05.00 hrs CET/CEST On Saturdays, the first shift is from 06.15 hrs to 13.45 hrs CET/CEST</p> <p>Working hours for livestock handling operations at the Livestock Terminal shall be adapted to the working hours of the veterinary inspection office and Slovenian legislation pertinent to this field. Regular working hours for all livestock handling operations are as follows:</p> <ul style="list-style-type: none"> - Monday to Friday: from 06.15 hrs to 20.00 hrs CET/CEST - Saturday: from 06.15 hrs to 13.30 hrs CET/CEST <p>Livestock handling operations are not performed during the night-time.</p>
15.	<p>Regular working hours at Luka Koper are from Monday to Friday in the first and second shifts, and on Saturday in the first shift.</p> <p>The pertinent tariff is increased for overtime work as follows:</p> <ul style="list-style-type: none"> a) Third shift on Monday to Friday workdays - by 50%, b) Second shift on Saturday workdays - by 75%, c) Third shift on Saturday to Sunday, and all-day on Sundays - by 100%, d) Third shift a day prior to a public holiday as well as all shifts during public holidays - by 150%. <p>Above stated tariff for overtime work does not apply to Profit Centre Container Terminal and are defined in TABLE 8 under Item 5000.</p> <p>A customer ordering overtime operations is obliged to pay for overtime work as well all other related services according to the provisions of this item.</p>
16.	In the event that a customer ordering a <i>Ship's Tackle – Warehouse</i> operation does not appear within 30 days of the performance of such a discharge of a vessel in indirect operation, the cost of manipulation and storage shall be charged to the shipowner, even though the owner of the cargo or its agent ordered the <i>Ship's Tackle – Warehouse</i> operation for the cargo.
17.	The computation of increases shall be effected against the basic tariff rate. The increases are calculated from the basic tariff rate and summed up.
18.	<p>In the event that the customer has not concluded a special Payment For Services Contract with Luka Koper in which terms of payment are agreed, the customer shall be obliged to settle the invoice for services performed within 15 days of the invoice date. Luka Koper shall issue the invoice no later than five days from the provision of the service; the invoice date shall mark the commencement of the debtor-creditor relationship, and payment should be remitted to the account identified by Luka Koper.</p> <p>Upon expiration of the term stated in the previous paragraph, Luka Koper shall apply statutory interest charges valid under Slovenian legislation on: overdue accounts and invoices not settled within 15 days.</p>

	<p>If Luka Koper establishes that the customer does not comply with the provisions from the first and second paragraphs of this item, it shall be entitled - upon receipt of any further orders for the provision of operations or services - to accept only those for which remuneration is received in advance (prepayment).</p> <p>At the receipt of an order for the provision of an operation or service, Luka Koper may also demand prepayment of a partial or the full amount. In any such instance Luka Koper shall not be obliged to perform the work if the customer fails to pay in advance.</p> <p>Luka Koper may charge for operations or services that are performed over a longer period of time in instalments.</p> <p>In the event that a customer claims that an invoice is partially incorrect, said customer is obliged to settle the non-contested part of the invoice and to make its claim in writing re the disputed part, respectively within 8 days (Slovene customers) or 15 days (foreign customers).</p>
19.	In the event that a debtor fails to settle its debt, Luka Koper shall retain a lien on goods in storage, as well as enjoy the right of retention of the debtor's property located within the port zone.
20.	The minimum invoiceable unit of cargo weight is 1,000 kg (metric tonne), or 1 m3 for timber cargos, which is always rounded upwards in any computation of quantities over 100 kg above the threshold amount, or 100 dm3 for timber, as per tariff rates.
21.	Entrance to the Port of Koper zone shall be charged in accordance with the current tariff.
22.	<p>This Tariff has been adopted by the Management Board of Luka Koper d.d. and shall enter into force as of 1st February 2015.</p> <p>In the event of any dispute concerning the interpretation of the English text, the Slovenian original shall prevail.</p>
23.	In all contracts concluded with Luka Koper in which separate provisions refer to the Tariff, this Tariff shall apply.
24.	In order to prevent contamination of warehouses, Luka Koper reserves the right to perform necessary deratisation, disinfestation and disinfection. The customer as the user of the warehouse shall be accordingly charged for this service.
25.	Seven days prior to the anticipated entry/exit of cargo, with confirmation upon the day of actual arrival/departure, the customer is liable to notify Luka Koper port entrance gate staff of cargo transports which exceed 4.3m in width and 4.7m in height.
26.	Upon its arrival at the Luka Koper Container Terminal, the container is inspected and data on any visible damage to that container is entered into the information system; as such it is considered damage that did not occur while the container was at the Terminal. As to hidden defects that cannot be detected by the usual inspection, Luka Koper d.d. will be held responsible in the event that the client submits indisputable evidence that said damage was a consequence of Luka Koper's handling. Difficult to detect minor damages, which have not been entered into the information system, will not be considered the liability of Luka Koper d.d. unless the client submits indisputable evidence to the contrary.
27.	Luka Koper d.d. shall not be held liable for "non-transport damages" on cars as defined in documents by car manufacturers or their logistics providers and documents of their associations or "non-transport damages" as determined by customs.

TARIFF PROVISIONS PER TABLE 1

1. Handling and other operations, not listed in TABLE 1: consolidated consignments, cigarettes, alcohol, containers, vehicles, floating crafts, machinery (construction and agricultural machinery), constructions, photocopying paper, skin, fodder of animal origin, as well as other cargo requiring careful handling (technical products such as audio and video equipment, computer and medical equipment, air-conditioning installations, household appliances, and similar), cargo of undefined packaging and dimensions, shall be charged as per a separate written agreement.
2. Prices under TABLE 1 / ITEM A apply for paper in rolls max. weight 4 tonnes/roll, height 2,2 m and diameter of max up to do 1.800 mm. Prices are valid for handling rolls in standing position, without turning / laying them.
3. Handling of cargo consignments under 3 (three) tonnes, shall be performed as per a separate written agreement.
4. Any cargo which Luka deems unsuitable for handling or unsuitably packed, shall be charged as per a separate written agreement. The same applies for the salvage or remediation of damaged, strewn, spilled, and similar cargo.
5. The handling of heavy lifts shall be performed solely in accordance with, the customer's professional instructions. In the event no instructions are given, Luka Koper shall not be held responsible for any damages resulting from the improper lashing or lifting of the cargo.
6. Luka Koper shall only perform handling of heavy lifts over 100.000 kg as per a separate written agreement.
7. Stuffing or stripping containers and trailers under TABLE 1 shall be charged as follows: the delivery and return of a container or MAFI trailer from/to the place of stuffing or stripping is included in the price (transport to the place of stuffing/stripping, 1x LO-LO handling operations at the General cargo terminal and the transport back to the Container terminal; LO-LO handling operations at the Container terminal are not included in the stated price).
8. If the volume of one tonne of cargo specified in TABLE 1 measures:
 - between 3 m3 and 5 m3, the tariff rate shall be increased by 20%;
 - between 5 m3 and 8 m3, the tariff rate shall be increased by 50%;
 - between 8 m3 and 10 m3, the tariff rate shall be increased by 100%;
 - over 10 m3, the calculation shall be effected according to TABLE 1 in that 3 m3 shall be regarded as one tariff tonne.
9. The following is not included in relation to the items listed under TABLE 1:
 - lashing or unlashng cargo on board a vessel, vehicle, container or MAFI trailer;
 - lashing materials.
 Lashing is performed by Luka Koper by way of a special agreement with, and under the supervision of, the customer.
10. Quayside loading/unloading rates for Ship's Hold - Ship's Tackle manipulations shall include the use of ship's crane. In the event the vessel is not equipped with its own crane(s), the use of a quayside crane shall be charged for in accordance with the provisions of the Tariff.
